Administrative Message

Well, March came in like a lion and seems to be going out like a lion as well, but we've got April to look forward to! In March the students enjoyed all their regular learning, all their regular "extras" (special thanks to everyone who helps out with Breakfast Club, hot lunches, and the reading program), and also took part in Animal Day, Jump Rope for Heart, bus evacuation training, and a trip down to BPDS for the winter carnival and skating at the arena. Our JK/SK class also continued learning about their community with a trip to the grocery store, post office, and library. It's good to see the kids getting into town before the crowds arrive for the summer!

In April, we'll have three short weeks for students, with a PD day on the 12th, Good Friday on the 19th and Easter Monday on the 22. While they are at school, students will take part in Neon Day and will travel to BPDS for a presentation on our wonderful turtle neighbours. We'll also be saying goodbye to the cross-country skiing equipment we had borrowed from the Outdoor Education Centre, and looking forward to getting back on the outdoor play structures once the ground is thawed. Time flies!

Thanks for everything you do to make SED such a unique and wonderful place for students.

Jump Rope For Heart

On Wednesday, March 27th the students of St. Edmunds Public School participated in the annual Jump Rope For Heart Event. The students stayed active by skipping, bouncing and playing fun games.

A rest centre was set up where they enjoyed a fruit tray prepared by the JK/SK class. Students snacked on strawberries, sliced oranges, grapes and watermelon. The students ended the event with a tasty popsicle treat donated by Peacock's Foodland.

Our small school raised over \$645.00 for the Heart & Stroke Foundation.

Bus Buzz - April

Are you moving? Please be sure to advise your school 1-2 weeks in advance of moving. Be sure you provide a house or fire number, as well as the road name and if necessary, your new telephone number. If changes need to be made to your child's school bus transportation, the school will advise the Transportation Consortium.

More information regarding school bus transportation can be found at www.brucegreyschoolbus.ca.
