January 2019

Administrative Message

Well, after a busy December, January is quieter and will give us a chance to get back into our routines... assuming the buses keep running!

Thanks to everyone who took part in our holiday celebrations at St. Edmunds. The concert was a great success. It is amazing we had a full program with good music and entertainment. Great work!! The students really appreciated the chance to show off their talent and hard work to their loved ones. And of course they enjoyed the other activities, too. Having PJ day just once would have been fun, but having PJ day every Friday? That's living the good life.

In January, as always, please join us in making sure the students are safe and comfortable in our winter weather. It's important that students are dressed warmly every day, ready to play outside; if you're having trouble finding affordable snow wear please let us know and we'll see what we can do to help. And if your child has just forgotten a hat or mitts on a certain day, give us a call and we'll put something together. It's hard to have a happy recess if you're freezing cold!

Thanks for being part of the great St. Edmunds community!

Celebrating the New Year in the JK/SK Classroom

The New Year brought a new time to party. Our students enjoyed a party when they came back. Bring on the Chinese New Year for our next party.
