Administrative Message

It's already May! How did that happen?

Maybe April passed so quickly because it was so busy. We had Neon day, planted seedlings, had a library visit for a story and craft, enjoyed an Easter egg hunt and movie, travelled to BPDS for a presentation about turtles, cleaned up the school yard for Earth Day, had our dental screenings, and managed to fit in some important classroom learning as well.

In May we'll have our Eye See, Eye Learn event for the JKs (checking their vision thanks to volunteers from the Ontario Association of Optometrists, we'll have another exciting Scientists in the Classroom event and another library visit, we'll travel to PSDS in Warton to see a play, we'll have Sports Day, and our JK/SK class will take a trip to the OEC. Never a dull moment.

The staff at the school are also going to start looking forward to next year and getting some planning done. With that in mind, if you anticipate any changes for next year, or if you know anyone in the community who will be attending the school but may not have registered yet, please let us know!

In the meantime – happy Spring! And knock on wood for no more snow.

Matthew Pickett

	<h3>Bus Buzz - May</h3>
<p>Do you anticipate any upcoming changes to: Arrangements for child care? Joint custody arrangements? Moving? Moving over the summer?</p> <p>All changes must be initiated through your child's school.</p> <p>More information regarding school bus transportation can be found at www.brucegreyschoolbus.ca.</p>	

Dress For the Conditions

After a long winter our playground is still very wet. Please make sure students wear/bring splash pants and rubber boots to school each day. As the weather warms up the students spend longer periods of the day outside. Please apply sunscreen in the morning and send a long sleeve shirt and hat with your child to protect them from the sun on warm and sunny days.

2019 Earth Day Clean Up
